**P. Cook – Curriculum Forum 2016 - 2017–(C & I Agenda – August 2016) – (Additional Staff Member)**

**Strategic Plan Link**

**Goal 1: Learning Outcomes:**

**To improve the learning and academic performance of all students in all\_PPS**

**Goal 5: Community & Family Engagement:**

**To actively engage families and communities in a meaningful, structured, and productive manner that promotes learning and cooperation.**

The Superintendent of Schools recommends, and I so move, adoption of the following:

**RESOLUTION**

The Plainfield Board of Education is committed to ensuring all students succeed academically and reach their full potential in life. The Board of Education is also committed to providing opportunities for, and ensuring all students meet the New Jersey Core Curriculum Content Standards, achieve academic, and life-long success.

In support of obtaining these goals, F.W. Cook will provide an extensive curriculum information session for parents, guardians, and students.

Teacher stipend rate per hr. is \$36.00 per hr. and Teacher Assistant rate per hr. is 16.00 per hr. for a total cost of \$3,816.00. Parents will have an opportunity to learn about the state standards and the curriculum for their children's specific grade levels, as well as the school and district policies, procedures, and programs.

In addition, to the instructional benefits for our students, this event will provide parents/guardians with opportunities to network with other families and learn about how they can become involved with F.W. Cook and the Plainfield School District. The Cook Community believes a strong home-school connection can have a direct impact on student achievement. **Q. Educational Services - English Language Arts Teacher Leadership Cohort (C&I Agenda – September 2016)**

**Strategic Plan Link**

**Goal 1: Learning Outcomes:**

**To improve the learning and academic performance of all students in all PPS.**

**Goal 2: Human Resources:**

**To improve the recruitment, retention, and development of district staff.**

The Superintendent of Schools recommends, and I so move, adoption of the following:

**RESOLUTION**

The Plainfield Board of Education recognizes that a highly qualified, competent, skilled, and dedicated workforce is essential to the success of the District and the students. The Plainfield Board of Education is committed to ensuring that all students succeed academically and reach their full potential in life. In doing so, it is also committed to providing opportunities for and ensuring that all students meet the Common Core State Standards and achieve academic and lifelong success.

The District is committed to raising the standards and student performance through providing sustained professional development and collaboration on best practices for staff. The Office of English Language Arts has identified a need to continue working with a Teacher Leadership Cohort, which will provide professional development leadership within their schools and who will serve as resources for instructional best practices.

Members of this team will consist of certificated teachers from schools across the district, representing a cross-section of grade levels.

Research studies have identified the characteristics of teacher leaders, including the following:

- Collaboration with peers, parents, and communities that engages them in dialogues of open inquiry.
- Risk taking and participation in school decision making.
- Demonstrated expertise in instruction and the willingness to share that knowledge with other professionals, engage in continuous action research, and consistently participate in a professional learning curve.
- Frequent reflection on their work and staying on the cutting edge of what is best for children.

Teachers who participate in the Teacher Leadership Cohort will attend designated professional development sessions, act as turnkey teachers in their schools, and meet regularly as a team throughout the 2016-17 school year. Teacher Leaders will also have the opportunity to facilitate workshops for teachers and/or parents.

**RESOLVED**, that the Plainfield Board of Education approves the listed teachers as members of the ELA Teacher Leadership Cohort for English Language Arts previously approved at a total cost not to exceed \$3,920.00. The availability of funds for this item has been verified and will be charged to account 11-000-221000-104B-26-0000 (Curriculum Stipends).
