\*Meeting Schedule Subject to Change

At each committee meeting, the Board discusses recommendations of the Acting Superintendent of Schools and other relevant items. Committee approval authorizes resolutions to be placed on the agenda of the next appropriate business meeting and/or possible formal action.

The agendas for all committee and board meetings are available at the Office of the Board of Education, 1200 Myrtle Avenue during business hours.

At the business meetings, privilege of the floor will be provided for sixty minutes for public comment prior to committee reports. A five-minute time limit per person is provided for public comment.

Concerns of the public regarding the schools or departments should be brought to the attention of the appropriate administrator in charge (principal, director, etc.). If concerns remain unresolved, they are to be directed to the Acting Superintendent of Schools. These procedures should be followed prior to concerns being presented to the Board of Education. This procedure allows administrators to resolve concerns at the most appropriate level of decision making.
