To improve the health and well-being of students at the Evergreen Elementary School through a comprehensive, integrated, progressive Yoga program based upon sound technical and physical principles.

The Youth in Yoga Foundation is a non-competitive program, founded by Ms. Marci Shapiro for children of all ages, sizes and shapes to be active and stay healthy. The Yoga program will run April 16, 2014 to June 18, 2014.

As we know, not every child is a natural born athlete and therefore, some children feel less comfortable in Physical Education class or trying out for competitive sports. Yoga is a great way for every child to be able to participate in a healthy "sport". Yoga can provide a much-needed reduction of stress / anxiety during a student's school day even with as little as twenty (20) minutes at a time.

Based on research, there are many benefits of Yoga. Physically it increases flexibility, fights obesity, builds strength, improves coordination and balance and helps for a child to feel comfortable within their own body. Mentally, Yoga improves concentration, helps increase confidence, reduces stress / anxiety, helps to relax, can unleash creativity and strengthen the mind-body connection. Moreover, in today's academically demanding and challenging world, even at a very young age, children are stressed about grades, standardized testing, social demands, peer pressure and overwhelming competitiveness.

The Youth in Yoga Foundation Program – Partnership (cont'd)

Activities will include:

- Starting with the breath...yoga is about breathing and clearing the mind.
- Waking up the spine with stretches (arching the back and folding inward)

- Standing behind their chairs:
 - Reaching up to a Tall Mountain Pose and then folding over their legs and getting a hamstring stretch
 - Rolling up to stand
 - Taking twists right and left working the core
 - Learning the Warrior poses to work the legs
- Closing with a silent breathing which clears the mind

RESOLVED, that the Plainfield Board of Education approves the acceptance of a partnership between Evergreen Elementary School and The Youth in Yoga Foundation – in an effort to bring Yoga to the classroom! The Yoga program will run from April 16, 2014 to June 18, 2014. There is no cost to the District or community.
