F. Sequestration – Amend Federal Budget Control Act of 2011

The Superintendent of Schools recommends, and I so move, adoption of the following:

RESOLUTION

WHEREAS, a world class public education is essential for the future success of our nation and today's schoolchildren; and

WHEREAS, the Budget Control Act of 2011 includes a provision to impose \$1.2 trillion in across-the-board budget cuts in almost all federal programs, including education, that would become effective January 2, 2013; and

WHEREAS, these across-the-board budget cuts, also known as "sequestration," would have a negative impact on education through a reduction in funds of 7.8 percent or more and could result in larger class sizes, fewer course offerings, possible four-day school weeks, loss of extracurricular activities, and teacher and staff lay-offs; and

WHEREAS, sequestration would affect almost every public school system in the nation and the millions of students educated through programs such as Title I grants for disadvantaged students, the Individuals With Disabilities Education Act (IDEA), English Language Acquisition, Career and Technical Education, and 21st Century Community Learning Centers; and

WHEREAS, public schools nationwide would be negatively affected by an estimated \$2.7 billion loss in just three programs alone – Title I grants, IDEA special education state grants and Head Start – that serve a combined total of 30.7 million children; and

WHEREAS, federal funding for K-12 programs was already reduced by more than \$835 million in Fiscal Year 2011; and

WHEREAS, New Jersey already ranks last among the states in the percentage of school expenditures (3.1%) supported by the federal government; and

WHEREAS, in Fiscal Year 2013, New Jersey will lose more than \$73 million in funding for elementary and secondary education programs, administered through the U.S. Department of Education, as well as over \$11.7 million in Head Start funding; and

WHEREAS, with a state-imposed tax levy cap and limited growth in state aid, New Jersey local school districts have limited capacity to absorb cuts in funding resulting from sequestration, now therefore be it,

RESOLVED, that the Plainfield Board of Education, in the County of Union, State of New Jersey urges Congress and the Administration to amend the Budget Control Act to mitigate the drastic cuts to education that would affect our students and communities, and to protect education as an investment critical to economic stability and American competitiveness, and be it,

FURTHER RESOLVED, that a copy of this resolution be sent to Unites States Senator Robert Menendez, United States Senator Frank Lautenberg, U.S. Representative Frank Pallone, Jr., State Senator Nicholas Scutari, Assembly Representative Jerry Green, Assembly, Representative Linda Stender, the New Jersey School Boards Association, and the National School Boards Association.
