C. 21st Century After School Program

The Superintendent of Schools recommends, and I so move, adoption of the following:

Strategic Plan Link:

Goal 1: Learning Outcomes

To holistically address the academic, cultural, character and health/wellness needs of approximately 125 students in Plainfield Public Schools (PPS). Additionally, provide parent education and family learning opportunities of enrolled students

Plainfield Community Outreach (PCO), Inc. is a 501(c) 3 nonprofit corporation located at 600 Cleveland Avenue, Plainfield, NJ whose mission is to empower and educate the Plainfield community. With over 5 years in after school education, PCO applied for and was awarded a 21st Century grant via the New Jersey Department of Education (NJDOE) in 2007, which is renewable annually until 2012.

During the 2007-08 academic year, PCO provided a stellar and comprehensive out of school time program for 4th and 5th grade students at Clinton Elementary and Charles H. Stillman Elementary, as well as 4th through 8th graders at St. Joseph Catholic Academy in North Plainfield. Rigorous academic tutoring, fine arts, performing arts, character education, cooking classes, field trips, and martial arts were all provided at no cost to any student who attended the program. Additionally, a full-day summer camp was held for 6 weeks for 40 students. Approximately 78 children attended the program daily during the academic year.

It is proposed that the program will continue for the 2008-09 academic year at Clinton, Jefferson, and Evergreen Elementary Schools, as well as New Covenant Christian Academy. Little interest in the program and poor attendance at Charles H. Stillman required the school to not be included the program for the 2008-09 year by the NJDOE. The selection of schools for the 2008-09 year was made by district administrators and PCO in March of 2008.

Due to a funding reduction from the NJDOE, parents/guardians will be asked to pay \$1 per day for their child's attendance, with a sliding scale for those unable to do so. The following program will be offered during the 2008-09 academic year: stellar after school tutoring in Language Arts, ELL, Math, and Science by NJ certified teachers, games and activities, fitness and sports, fine arts, jewelry-making, performing arts, field trips, and martial arts.

The reduction in funding also requires PCO to request a daily snack be provided by the District for students enrolled in the 21st Century program.

The hours of operation for the program are 2:35 p.m. – 5:35 p.m., Monday through Friday. Optional sibling care from 2:35 p.m. – 6:00 p.m. will also be provided in conjunction with the program at a cost of \$5 per day, per child. No program is provided on PPS ½ days or when school is not in session.

All staff are employees of Plainfield Community Outreach, Inc., with the understanding that Plainfield teachers cannot be affiliated with the program in any capacity until 3:06 p.m., per union contract. All H/R policies and procedures, including wages, are under the sole discretion of Plainfield Community Outreach, Inc. and the staff members whom we privately employ.

RESOLVED, that the Plainfield Board of Education approve the 21st Century Program operated by Plainfield Community Outreach, Inc. for the 2008-09 year at the Clinton, Jefferson and Evergreen Elementary Schools. The provision of a daily snack to no more than 150 students will be made by the district.
