Vision

The Office of Bilingual Education/ESL and World Languages is committed to providing all students with the opportunity to excel in multiple languages in an increasingly global world.

Mission Statement

The Office of Bilingual Education/ESL and World Languages embraces the body of evidence that proves that continued language development leads to increased proficiency and higher academic achievement. In collaboration with students, staff, parents and the community, the Office of Bilingual Education/ESL and World Languages will implement a research based academic model that sets high expectations for all students and ensures that they receive a rich and demanding curriculum with appropriate assistance and support, while simultaneously fostering a positive image of cultural heritages and languages.
