Pacing Guide for Course: PERSONAL FINANCE - Course Number: 8052

~ September 2013~and February 2014

Week 1: SWBAT

Obj: Introduction of PERSONAL FINANCE Course. Introduce the course objectives are to have graduating high school students be able to take individual responsibility for their personal economic well-being. Broadly speaking a financially literate high school graduate should know how to: Find, evaluate, and apply financial information; Set financial goals and plan to achieve them; Develop income-earning potential and the ability to save; Use financial services effectively; Meet financial obligations; and Build and protect wealth. Personal Finance describes the principles and methods that individuals use to acquire and manage income and assets. Financial Literacy is the ability to use knowledge and skills to manage one's financial resources effectively for lifetime financial security.
