

Plainfield Orton-Gillingham Pacing Guide
Kindergarten

UNIT 4							
Week	Lesson/Concept	Notes	Resources in OG Manual	Resources in <i>How to Teach Spelling</i>	Resources in <i>Syllable Word Book</i>	Red Words	Correlation with <i>Wonders</i> (Unit Week for reading practice with new OG skill)
24	SH	use squiggle ~				you	
25	TH (voiced)	use squiggle~				come	
26	W					he	7.2
27	WH	teach sound as /w/-teach most important WH words as red words				she	
28	Y					with	8.2
29	V					said	7.3
30	X					all	7.3

Additional Notes: Capital and lowercase letter formation should be taught each week using house paper. Steps for Introducing a New Concept should be followed each week—see green flip chart. Steps for Teaching Red Words should be followed each week—see green flip chart. An additional red word of the teacher’s choosing may be added each week to facilitate student compositions. Correlations to <i>Wonders</i> units are provided so that students can practice new OG phonics skills by applying when reading connected text (<i>Wonders</i> stories). Be sure to introduce or review needed sight words listed in <i>Wonders</i> units before reading. <i>Wonders</i> sight words should be used to strengthen reading skills; red words, however, are to be mastered for both reading AND spelling. There are some beginning lessons in <i>How to Teach Spelling</i> that may be helpful for Kindergarten; otherwise, this and the <i>Syllable Word Book</i> are resources used in Grade One and above.
