

**PLAINFIELD ELEMENTARY MATHEMATICS RUBRICS**

2-POINT HOLISTIC RUBRIC

SCORE POINTS	DESCRIPTION
2 points	<p>The two-point is complete and correct.</p> <p>This response:</p> <ul style="list-style-type: none"><li>• Demonstrates a thorough understanding of the mathematical concepts and/or procedures embodied in the task</li><li>• Indicates that the student has completed the task correctly, using mathematically sound procedures</li><li>• Contains clear, complete explanations and/or adequate work when required</li></ul>
1 point	<p>The one-point response is only partially correct.</p> <p>This response:</p> <ul style="list-style-type: none"><li>• Indicates that the student has demonstrated only a partial understanding of the mathematical concepts and/or procedures embodied in the task</li><li>• Addresses some elements of the task correctly but may be incomplete or contain some procedural or conceptual flaws</li><li>• May contain an incorrect solution but applies a mathematically appropriate process</li><li>• May contain a correct numerical answer but required work is not provided</li></ul>
0 points	<p>A zero point response is incorrect, irrelevant, incoherent, or contains a correct response arrived at using an obviously incorrect procedure. Although some parts may contain correct mathematical procedures, holistically they are not sufficient to demonstrate even a limited understanding of the mathematical concepts embodied in the task.</p>

### 3-POINT HOISTIC RUBRIC

SCORE POINTS	DESCRIPTION
3 Points	<p>A three-point response is complete and correct. This response:</p> <ul style="list-style-type: none"> <li>• Demonstrates a thorough understanding of the mathematical concepts and/or procedures embodied in the task</li> <li>• Indicates that the student has completed the task correctly, using mathematically sound procedures</li> <li>• Contains clear, complete explanations and/or adequate work when required</li> </ul>
2 Points	<p>A two-point response is partially correct. The response:</p> <ul style="list-style-type: none"> <li>• Demonstrates partial understanding of the mathematical concepts and/or procedures embodied in the task</li> <li>• Addresses most aspects of the task, using mathematically sound procedures</li> <li>• May contain an incorrect solution but provides complete procedures, reasoning, and/or explanations</li> <li>• May reflect some misunderstanding of the underlying mathematical concepts and/or procedures</li> </ul>
1 Point	<p>A one-point response is incomplete and exhibits many flaws but is not completely incorrect. This response:</p> <ul style="list-style-type: none"> <li>• Demonstrates only a limited understanding of the mathematical concepts and/or procedures embodied in the task</li> <li>• May address some elements of the task correctly but reaches an inadequate solution and/or provides reasoning that is faulty or incomplete</li> <li>• Exhibits multiple flaws related to a misunderstanding of important aspects of the task, misuse of mathematical procedures, or faulty mathematical reasoning</li> <li>• Reflects a lack of essential understanding of the underlying mathematical concepts</li> <li>• May contain a correct numerical answer but required work is not provided</li> </ul>
0 Points	<p>A zero-point response is incorrect, irrelevant, incoherent, or contains a correct response arrived at using an obviously incorrect procedure. Although some parts may contain correct mathematical procedures, holistically they are not sufficient to demonstrate even a limited understanding of the mathematical concepts embodied in the task.</p>
