Dear Parents/ Guardians:

We are dedicated to providing all students with the educational foundation necessary to succeed in school and in life. To ensure your child's success, we have set high standards that are reflected in what is taught in our classrooms. The No Child Left Behind Act (NCLB), reauthorization of the Elementary and Secondary Education Act (ESEA) requires that adequate yearly progress (AYP) in language arts literacy and mathematics be measured annually for each school in New Jersey.

The following Title I schools in our district did not meet AYP requirements and are eligible for Supplemental Educational Services (SES). These schools are: **Clinton, Jefferson, Stillman, Washington, Hubbard and Maxson.**

**Free Supplemental Educational Services (tutoring) are offered to eligible students in grades 1 through 8, who receive free and reduced lunch.** These services are offered over and above those ordinarily provided in the regular classroom during the normal school day. They can be tailored to particular academic needs of the students and to make productive use of out-of-school time in a safe environment. This program is free to parents of eligible students.

**Attached is an informative list of state-approved Providers who have agreed to service Plainfield Public School students. Parents may select an approved Provider of their choice, to best meet their child's academic needs.** All approved Providers are posted on the New Jersey Department of Education website at: [www.nj.gov/cgi-bin/education/title1/ssp.pl?string=r&maxhits=10000](http://www.nj.gov/cgi-bin/education/title1/ssp.pl?string=r&maxhits=10000).

**If you wish to participate in the SES Tutoring Program, please complete and return the enclosed Title I Provider Selection Form by November 15, 2009 to:**

**Business Operations, 1200 Myrtle Avenue, Plainfield, NJ 07063**

Should you have any questions, or need additional information on Supplemental Educational Services, please call (908) 731-4373.

Sincerely,

Steve Gallon III, Ed.D.
