January 22, 2018

Dear Parents and/or Guardians,

It is our hope that everyone is enjoying the New Year in the best of health. We are at our half way mark of our academic year and wish to continue with great success.

The purpose of this correspondence is to inform you that Ms. Myrie, 9th grade Biology Teacher, has taken a leave of absence until June. We are actively seeking to hire a new candidate to continue teaching for the remainder of the year. The position has been posted and we are hoping to interview candidates by the end of the week. We will move the process along with great urgency to ensure that all of our scholars get the full benefit of their Biology class.

Ms. Myrie had ample grades for each student to have earned an average for the marking period. At this time, we are exempting a mid-term project until a new teacher takes over the class. This will not have an impact on any student's average.

Please feel free to call us if you have any questions.

Respectfully,

Dr. Angela Bento
Principal

Mrs. Aurora J. Hill
Vice Principal
