

News from Plainfield Library

March 27, 2019

In addition to a bunch of upcoming programs, we also have three new services and an hours change.

Starting on April 1, 2019 the Library will be closing on Saturdays at 1:00PM (12:30PM in Children's). This change in hours is due to a proposed drastic cut to the Library's budget. This minor schedule change is the first of what may be more significant reductions in the Library's hours of operation, staffing and services if the budget is passed in its current form.

We have replaced our Tutor Service with a service called HelpNow from Brainfuse <http://main.plainfieldhn.nj.brainfuse.com/> that provides FREE online homework help with a real tutor from 2-11PM, 7 days a week in addition to a bunch of other related services that are available 24/7. HelpNow also includes an Adult Learner component to assist adults with getting their GED and taking the Citizenship exam among other topics. Also from Brainfuse we have signed up for JobNow and VetNow that provide job search assistance for the general public, and specifically for veterans. Both also include Job Coaching/Resume assistance with a live human from 2-11PM, 7 days a week.

Please share with your networks and if you have any questions please let me know.

Thanks!

Tina
