For Immediate Release

The Frontiers International Plainfield Area Club Westry Horne Cultural and Heritage Series presents a film in the making on **The 1967 Plainfield Rebellion** Saturday, November 9, 2019 from 1 to 4 pm at the Clinton Elementary School Cafetorium, 1302 W. 4<sup>th</sup> St. Plainfield, NJ 07060.

The film project is directed by award winning filmmaker and Plainfield H.S graduate Alrick Brown. Alrick says that: "this project is not a complete film yet. The hope is, as we show this to the people of Plainfield, others will come forward who were there to offer their prospective on the events during that turbulent time and become part of the final film". During the summer of 1967, a riot/rebellion broke out in Newark and many were killed. During that same week, another rebellion broke out in Plainfield with only one fatality. What was the difference? What were the causes of the outbreak? What was the city like before the rebellion and how has it changed? Come out and see some perspectives and to share some of your own. Light refreshments will be served.

The Westry Horne Cultural and Heritage Series is partially funded by a grant from the Plainfield Cultural and Heritage Commission.
