Dear Donna,

I invite you to attend the annual "State of Urban School District Address" with world-renowned best-selling author and keynote speaker Baruti Kafele.
www.principalkafele.com

In these times of social media, bullying, student health, violence, drugs, poverty, divorce, and even events that occur outside of our community can still affect the academic performance of our children, no matter their age or grade. Principal Kafele brings an empowering message of attitude transformation and creating conditions for a child's success. His message is inspiring, invigorating, thought-provoking and candid. He inspires his audiences to expect nothing less than excellence from our children.

This event is for the whole community and stakeholders

It is important to RSVP so we can have an accurate head count and we need to provide enough dinner for you.
