PLAINFIELD, NJ - Cadene Rose, a sixth-grader at Maxson Middle School, broke a high jump record this week in the Rotary Club's 89th annual track and field meet.

Cadene made a jump of 15'-2.5" at Hub Stine Field on Wednesday to eclipse a record that had stood for 12 years.

Cadene was one of more than 200 area students to compete in the meet, sponsored by the Rotary Club of Plainfield.
