PLAINFIELD, NJ - Longtime sportswriter Harry Frezza will be honored at 6 p.m. Friday during the wrestling match between Plainfield and Asbury Park at Plainfield High School's gym.

Wrestling coaches William Dodd and Keith W. Young, Superintendent of Schools Anna Belin-Pyles and the Plainfield Board of Education invite the community, former students and coaches to the event. Light refreshments will be served.

"Harry Frezza was superb at this job. His coverage help change perceptions of what a place might be," Young said. "For Plainfield High School it has been his exposure and great coverage that has led to this event. We are building more than a wrestling team, we are building a community."
